

To the Evergreen Elementary School community:

Greetings,

This brief correspondence is intended to inform you of the Mini Viking Parents' plan in regard to the annual School Fair that was scheduled for March 27th. Due to the District's announcement yesterday, we will have to cancel the School Fair for 2020. With all the work it takes to find the many volunteers needed to put on a fun-filled Fair, and with so much still unknown about the time frame of the virus running its course, we will not attempt to reschedule.

There are 2 components of the School Fair that I would like to address further. The "Chinese Raffle" is cancelled. If your student's teacher already sent the request home and you sent something in, I am sure your teacher can hold it until classes resume and return it to you. As for the 50/50 raffle, it is STILL ON! A good amount of money has already been collected and it would be more difficult to refund that after the break. The current plan is to continue the 50/50 raffle until a week or 2 after we return to school. We may do a Facebook Live draw or a mini assembly. The specifics are not decided yet but we will make updates on our Facebook page and on the bulletin board outside the Main Entrance of the current pot total and the drawing date. If you need more tickets, you can go to the elementary office AFTER Spring Break week to pick up more or you can wait until that first week back.

The Mini Viking Parents are currently considering an alternative to the School Fair that would occur during a school day and be only for the students. More details will be announced at a later time. We wish you and your family a fun-filled and healthy Spring Break and extended break.

Regards,

The Mini Viking Parents
